

REMARKS

The Examiner has required an election in the present application between:

Species I, injet print device having correction quantity determining means;

Species II, injet print device, wherein correction quantity determining means prestores a correction quantity table;

Species III, injet print device having time measurement means; and

Species IV, injet print device having position sensing means.

For the purpose of examination of the present application, Applicants elect Species II, without traverse.

Claim(s) 11, 20, and 21 are directed to the elected species. Applicants submit that at least claim(s) 1 is generic.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Robert Downs, Registration No. 48,222 at the telephone number of the undersigned below, to conduct an interview in an effort to expedite prosecution in connection with the present application.

- ☐ Attached is a Petition for Extension of Time.
- ☐ Attached hereto is the fee transmittal listing the required fees.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to our Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. § 1.16 or under § 1.17; particularly, extension of time fees.

Dated: May 16, 2007

Respectfully submitted,
